EXAMINATION RULES AND PROCEDURES EXAMINATION TIMES AND ROOM LOCATIONS

**EMERGENCY PROCEDURE: WE WILL DEAL WITH THIS SHOULD AN EMERGENCY ARISE**

- The examination schedule indicates the course, section, teacher, date, time, length and location for all examinations. It is important for all students to know their complete subject-section name and letter for each examination they will be writing. It is the student's responsibility to ensure that he or she is fully aware of the date, time, and location for each of their examinations.
- **Examinations start at 8:30 am.** All students are expected to report to the appropriate "In-Schedule" examination room 15 minutes before the scheduled time and are to remain there for the duration of the examination.
- Students who are entitled to and who wish to write their examinations in the Student Services Centre (Room 214) are responsible for speaking to their classroom and core resource teacher. These students must sign up in the Student Services Centre by January 12, 2018. to ensure space is available and appropriate accommodations are offered. These students will write in Room 213-214. Please check Core Resource Room (214) for your exam location and have your student number available. Otherwise, students who receive time accommodations will start their exams in their own class and then be escorted by their teachers to Room 214 to complete their examination.
- Students who are English Language Learners or on a Policy 208 will start their exams with their classes. If they require extra time, they will be escorted to the Library with their teachers to complete their examination.

**ABSENCES FROM AN EXAMINATION/LATES:**

- Personal absences or family vacations must not be booked during examination times and absences for these reasons will result in a ZERO grade.
- Students need not be present in school at any time when they are not writing an examination and parents do not have to contact the school on these days.
- A student who is absent from an examination because of illness must have a parent/guardian phone the school at 905 882-1460 by 8:30 am, on the morning of the examination. A medical certificate verifying the illness must be submitted to the Attendance Secretary within 24 hours. A student who is absent due to illness and has a medical certificate will still be required to write his or her examination at a later date and or time, at the discretion of the Administration and the classroom teacher.
- Students who are absent from an examination without a legitimate reason will receive a ZERO grade on the examination.
